

Transportation - Airplanes

Did you know airplanes can take you
From one place to another in the air?

Today's Felt Board Story

"Parts of an airplane"

Today's Story

"Amazing Airplanes"

Create

With your grownups help
You can make cool puffy
clouds. Mix equal parts
of white school glue with
shaving cream. On a blue
or black piece of paper
paint fluffy clouds.

Pretend

If the weather is nice
outside go out with your
grownup and pretend to
be a super fast airplane,
by putting your arms
straight out and fly
around the yard!

Project

Your project today is to make an awesome paper airplane.
You will need a piece of paper any color and markers or
crayons if you want to decorate your plane.

Transportation - Trains

Did you know trains can take you from one place to another on train tracks?

Today's Felt Board Story

"Choo Choo Train"

Today's Story

"I'm Taking A Trip On My Train"

Build

You can pretend to be a train. Build your own life size tunnel that you can go through! You can use a table or chairs and a sheet to make your tunnel.

Write

With your grownups help make your own train ticket and write your name on it.

Project

Your project today is to make a train. You will need square sponges or blocks and small round blocks or you can use the end of a pencil, white paper and different colors of paint.

Transportation-Cars & Trucks

Did you know cars and trucks are another type of transportation that travels on the road?

Today's Felt Board Story

"Zoom Zoom"

Today's Story

"Gus' Garage"

Create

If the weather is nice go outside and draw with chalk a big road with places to go like a house, a store, the park, a library, the hospital, a playground and a pond.

Write

When you are in the car with your grownup play a game and count how many blue cars you see or red or green or white or black ones you see.

Project

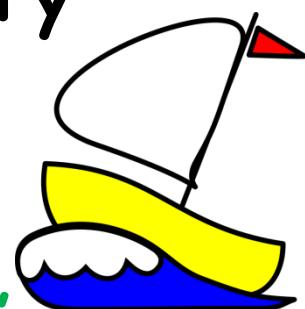

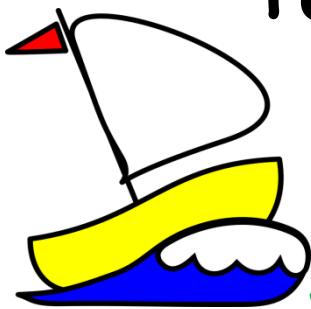

Your project today is to make a painting using cars or trucks. You will need small toy cars or trucks, different colors of paint and a piece of paper.

Transportation-Boats

Did you know boats take you from one place to another place traveling on the water?

Today's Felt Board Story

"Boat on the Water"

Today's Story

"Row Row Row Your Boat"

Discover

Find some small objects from around your home and get a large container with water in it.

Make a prediction, will the object sink or will it float?

Write

Can you go around your home and find things that begin with the letter "T" like Transportation. How many things did you find?

Project

Your project today is to make a sailboat picture with 3 shapes. You will need a big triangle, small triangle, thin tall rectangle and a wide large rectangle cut from colored construction paper.
